THEFT OF FUEL
APRIL 30, 2015
CASE OIG-I-2015-504

An Amtrak Human Capital employee used an Amtrak fuel card three times, for a total of \$235, to purchase fuel for his personal vehicle. There were other transactions using the same fuel card that appeared suspicious, as the amount of fuel purchased exceeded the capacity of the fuel tank for the vehicle assigned to the fuel card. The employee was dismissed from the company.
